

June 1, 2016

Dear Valued Customer,

Flexi-Van's FlexiDay® Program, which offers daily and monthly units at our service center and third party FlexiDay® locations, provides the intermodal industry with access to chassis and supports an efficient approach to chassis provisioning.

While we continue our pursuit of removing cost from the supply chain, continued rising costs leave us with no alternative but to increase the daily usage per diem rates for FlexiDay® in all locations effective July 1, 2016.
