

Norfolk Southern Chicago ramp incentive starting August 1st, 2015

If you are handling large volumes of imports in and out of the NS Chicago ramps, Flexi-Van, through its FlexiDay® program, and www.ChassisFinder.com, is offering a special \$16.00 per unit per day rate for both 20 and 40 foot marine chassis.

If you have a dedicated lane for a customer or customers out of the Norfolk Southern ramps in Chicago you could save significantly on chassis charges by bringing in your own private, leased units.

Search for Chicago in the location dropdown box, then look for Cicero-NS location to reserve your chassis now. Program is effective August 1st, 2015 through December 31st, 2015

Sincerely,
Flexi-Van Leasing, Inc.®
