

Pool_Billing@FlexiVan.com

Dear FlexiVan Pool Customers,

We'd like to bring your attention to a new FlexiVan group email address that our **Billing Department** will start using on **February 5, 2021** for all invoices related to our **pool services**.

Please begin to use the group email address Pool_Billing@FlexiVan.com for all matters related to your FlexiVan pool invoices. You no longer will receive invoices from individual FlexiVan email addresses, but rather this new group email address. Please ensure that your email settings will not block this new FlexiVan address from being delivered. (**Disputes must still be submitted in writing via FlexiVan.com within 30 days of invoice date*).

We thank you for your business and please don't hesitate to contact us with any questions you may have.
