

FLEXI VAN®

Expands its Presence in the PNW

Starting April 1, 2018, FlexiVan will become an active participant in the **TPNP chassis pool**, providing premium 20', 40' and 45' chassis to help address immediate demand requirements. Designated Start/Stop locations include North Terminals in Seattle, South Terminals in Tacoma, as well as BNSF & UP rail ramps and container yards in Portland and Seattle (*see addresses below*).

FlexiVan meanwhile also continues to offer term and daily lease options for a variety of specialized triaxle and extendable chassis for heavy cargo transport, plus maintenance and repair services from **our local PNW Service Center** in Tukwila, WA - Tel.# (206) 682-9009.

For a complete listing of all direct leasing services FlexiVan offers in the Pacific Northwest, please contact your Seattle-based **FlexiVan Representatives**:
